

⇒ **Liquidlogic says its PROTOCOL Integrated Children's System (ICS) has achieved full compliance with the Department for Children, Schools and Families' (DCSF) ICS Phase 1B Requirements.** This compliance enables local authorities to implement a compliant solution in accordance with the DCSF March 31st 2008 deadline. The company claims to be the first supplier to receive formal recognition of full compliance from the DCSF for both the must have and should have compliance criteria.
